

Accounting Manager/Sr. Manager Accounting

About Donuts

Donuts Inc. is a leading global registry for new top-level Internet domain extensions. Donuts offers businesses, individuals and organizations new ways to manage and promote their online identities, in multiple languages and character sets. Donuts offers 238 new high-quality, top-level domains, including **.email**, **.guru**, **.social**, **.business**, **.life**, **.restaurant**, and many more. Donuts domains provide extensive variety to anyone wishing to enhance their brands online. Donuts Inc. is privately held, and has strong backing from Adams Street Partners, Austin Ventures, Emergence Capital and TL Ventures. Donuts is headquartered in Kirkland, Washington, with offices in Denver, Colorado and Dublin, Ireland. For more information, please visit www.donuts.domains. Donuts recently completed the acquisition of Rightside Group, Ltd., in Kirkland, WA.

This is an exciting time to join the Donuts team. The company is thriving: we've had a very successful track record since launch, we just completed an acquisition, and are now gearing up for our next phase of growth. As we help build out the new Internet, we are hiring smart, energetic people who like to make an impact and know how to get things done. Read on to find out what makes us tick and how you can be part of the team that's making it happen.

What this role is about

We're seeking an enthusiastic team player willing to roll up their sleeves and join a great group of dedicated people working to support Donuts' US and international accounting operations.

Responsibilities

- Manage the month end close process, general ledger functions including balance sheet reconciliations and journal entry preparation.
- Supervise the general ledger group to ensure all reporting deadlines are met.
- Manage monthly financial reporting.
- Manage quarterly bank compliance.
- Assist with daily banking requirements and cash management.
- Oversee the annual audit, statutory audits and tax compliance.
- Support budget and forecasting activities.
- Advise and mentor staff on handling of non-routine reporting transactions.
- Collaborate with other departments to support overall department goals and objectives.
- Provide technical GAAP expertise such as revenue recognition, stock compensation, acquisition accounting, and implementation of new accounting pronouncements.
- Proactively seek ways to improve processes to ensure timely monthly close, accuracy of accounting entries and operational efficiency.
- Assist with the development and implementation of financial policies, procedures and systems that will improve the overall operation and effectiveness of the accounting function.
- Support the Controller with special projects

Required Experience

The right person has solid experience and a 4-year degree in Finance or Accounting, with a CPA or public accounting background.
